

## Tip sheet #2

### 8 tips for career networking online

**Tip #1 Do your research.**

**Tip #2 Be prepared.**

**Tip #3 Request an informational interview, making your intention clear.**

**Tip #4 Sequence your questions and go with the flow.**

**Tip #5 Don't ask for a job or peddle your resumé; however, be prepared if the contact takes the conversation in that direction.**

**Tip #6 Draw from the expertise and support of your mentors.**

**Tip #7 Video conference or not; do what feels best.**

**Tip #8 Give yourself time to reflect and recharge between informational interviews.**
